DOUBLE EXPOSURE

a cultural event

Friday, October 23

7-9 pm

The Visual Arts Center 14 E. 4th St. Panama City, FL

Join us Friday, October 23rd as the **Friends of St. Andrew Bay** and the **VAC** host renowned local author Michael Lister (*Double Exposure, Flesh and Blood*), and award winning filmmaker Elam Stoltzfus (*The Apalachicola River, An American Treasure*) for a unique cultural and environmental program at the beautiful Visual Arts Center in downtown Panama City.

Based upon Lister's recently released **DOUBLE EXPOSURE**, a literary thriller set deep in the Swamps of Apalachicola River Basin, the program will showcase an exhibit of photographic works by **Elam Stoltzfus, Clyde Butcher, and Debbie Hooper** depicting the wild beauty of the Florida Panhandle. There will be a short film by Elam Stoltzfus about the river and the wild North Florida swamps where the book is set, and a reading from the novel.

The book will be available for purchase and the author will be available for book signings. **All proceeds from book sales of DOUBLE EXPOSURE will be donated to programs and organizations that promote ecological conservation and education efforts in the Florida Panhandle, including The Friends of St. Andrew Bay.**

Hors d'oeuvres served during the event.
